

## PRESS RELEASE

Johannesburg, 30 March 2010

### **Avery Graphics donates vinyl to charity**

Avery Dennison recently donated 35 rolls of vinyl to Sparrow Rainbow Village – AIDS Hospice and Children's home in Roodepoort, Johannesburg. The Sparrow Village was the first of its kind in South Africa and has made great inroads in taking care of our AIDS orphans.

*Left to Right: Lazarus Sibeko, Warehouse manager, Avery Graphics; Ruth, Arts and Crafts Leader, Sparrow Village; Robert Miller, Fundraiser, Sparrow Village*

These rolls of vinyl will be used for the AIDS orphans' arts and crafts projects. It will also be utilized for their work creation program.

As part of our values of a sustainable environment, it is a small gesture that will make a huge impact, but every little bit helps. What are you doing for your community?

**END**
